NORFOLK & WAVENEY COMMUNITY MSK SERVICES REFERRAL

Completed referrals (except for MATS) to be emailed to: nowmsk@ecchcic.nhs.uk
Tel: 01493 809 977

MATS referrals ONLY to be uploaded into NHS e-Referral (Choose and Book)
Selecting the option:
Norfolk & Waveney Musculoskeletal Assessment and Triage Service (MATS)

Available for Great Yarmouth & Waveney, Norwich, South and West Norfolk

Exclusions: Patient who meet any of the following conditions are not appropriate for referral and therefore not covered in this service:

- Non-MSK Neurological Conditions
- Chest physio.
- Patients that require emergency treatment.
- Patients exhibiting red flag symptoms requiring immediate referral to secondary care.
- Patients requiring access to one of the Norfolk and Waveney Fast Track Pathway.
- Continence and Women's/Men's Health.
- Housebound patients – refer to local domiciliary service.

NB. Acceptance of paediatric referrals varies – details can be found on our website:
norfolkandwaveneycommunityhealth.nhs.uk/msk/healthcare-practitioners

Please note – it will aid the referral management process if all relevant sections are completed.

This referral will be triaged and sent to the appropriate health care professional for assessment and further management for onward referral as required.
